**21st Century Community Learning Centers - Elementary & Jr. High/Middle Schools**

The California Department of Education has funding available for after-school or before- and after-school programs that serve students, kindergarten through grade nine, in schools in high poverty communities. Programs must include academic assistance and educational enrichment components and must address family literacy needs of adult family members. For more information [visit their website](#).

**2004-05 AmeriCorps Competitive Decisions**

The Corporation for National and Community Service announced its decision to fund 25 California programs as a result of the national competition. To download the Excel spreadsheet with the results, please [click here](#). Decisions about which applicants will receive formula funding will be made at the upcoming Program Committee Meeting on June 16, 2004 in Redondo Beach. **Volunteer with California State Parks**

California State Parks offers a variety of opportunities for volunteers. Each park is unique with specific needs. Trail construction, exotic plant removal, nature walks, children's programs, living history, safety patrols, and campground hosts are among the possibilities. Find out about volunteer opportunities available in California State Parks by [clicking here](#).

**Become a State Park Camp Host**

Camp Hosts volunteer at California State Parks campgrounds and day-use areas. Their duties often include assisting visitors, collecting fees, performing light janitorial duties, and conducting interpretive programs. Most parks ask a minimum commitment of three months, with a maximum stay of six months per park. Review current and ongoing campground and park host openings by [clicking here](#).
